A WORD FROM YOUR **PRESIDENT**

To all members, golfers, sponsors and supporters. I trust you had a good weekend. I know many of you may have got away travelling around New Zealand or even to Australia.

We are starting to see a new trend here at the club, where Aucklanders are making a day trip to come and play at the Omaha Beach Golf Club.

We are also starting to get some interest with golfers adding Omaha to their list whilst they play some of the regional courses eg Tara Iti. It is my belief that over the next few years, with the new courses being developed at Tara Iti we will become one of the countries most desired destinations for golf, along with Taupo and Queenstown.

PATH ON THE 4TH

Good progress is being made on the new path to the 4th hole and we hope to have it completed this week.

ONGOING PROJECTS

The club overall is going well and to budget, we been fortunate to complete most of the projects we have targeted and even been able to undertake additional ones.

Some of the projects we are working on are:

- Introducing Bequests programme
- Continued **VISION** | 2022 fundraising
- Updating honours board
- Renovating the clubhouse toilets
- Initiating a water irrigation plan
- Removal of carts shed
- New green keepers shed
- Finalising our five year strategic plan
- Planning for the Omaha Scramble
- Acoustics for the clubhouse ceiling
- Covering the outdoor deck area
- Continuing to improve the course
- Updating all course signs to be the same as 15th hole.

The above list the committee are aiming to achieve over the next thirty-six months.

PRESSURE OF THE GAME

I am always fascinated, as I have mentioned before, about the pressure we all put on ourselves with our golf game. You would think at clubs like ours, the pressure would be on the mid to high handicappers, but this is not the case.

A guy I play with is a professional golfer and he gets very anxious because he knows people expect him to go under par or close to it. In fact, he gave up playing in tournaments because he got so nervous with the crowds, and was worried about hitting someone.

So the next time you are playing with a low handicapper, remember they may feel the pressure too.

Have a great week and I hope you enjoy watching the British Open at Royal St Georges.
