A WORD FROM YOUR **PRESIDENT**

To all members, golfers, staff, sponsors and supporters.

It's been another very wet week and our course has struggled to cope with the vast amounts of rain.

Our green keepers are working extra hard to keep the course in play with the additional work to upkeep the bunkers and drain the lakes so we can get rid of the excess water.

DOGS ON THE COURSE

I would like to remind you that we have a policy of allowing dogs on the course whilst on a leash. OBGC are one of the few clubs in Auckland that allow this.

Some people think they have the right to bring their dog on the course as the land is council owned. This is not correct as our lease allows us to have full control.

I know we all think our dogs are the best behaved and the cutest but the reality is, many of them are walking in the bunkers and defecating on the course.

If our policy of allowing dogs on the course is abused we will be forced to ban dogs all together.

I am a big dog lover so I hope that we don't have to change our policy.

THE CLUB HOUSE ROOF

We are now only a couple of weeks away from having the roof and club house finished.

You may wonder why it has taken so long? The reality is that when the roof was removed there were several major issues identified. You can read more on this in our Roof Update below.

This has been a very difficult experience for all of our staff and contractors to work and live through this but we are now nearly there.

GOLF HQ THIRD ANNIVERSARY

Its great so many of you are playing and supporting Golf HQ's 3rd anniversary tournament this weekend. Golf HQ and their staff are doing a great job.

I hope you have a good weekend, and I look forward to seeing you on the green or in the club house.

Kevin

ROOFING UPDATE

The project is now moving along despite the inclement weather, with the roof now getting sealed and waterproofed.

Once all the finishings have been completed to the exterior, the repairs will begin on the interior and then the scaffolding can begin to be disassembled.

There have been many delays to this project with almost all wiring needed to be re-done and a significant amount of rotten framing to be replaced before further roofing work could resume.

As a result, the team have been working Saturdays to complete the additional work.

The remaining plan of works includes finishing installation of longline roofing sheets and insulation, carpentry on the fireplace, installing soffits, internal repairs to ceilings, painting - internal and external, and the reinstallation of the three overhead windows.

The project is nearing its completion and we will all be very grateful to have our club house restored to it's former glory.

We appreciate your understanding and we are very much looking forward to all the fabulous events we have lined up for when we have our space back and the noise, dust and debris are finally over!

GOLF HQ ANNIVERSARY OPEN

There are still a few spots left, so don't miss out on this great event with us.

NEW STOCK ARRIVING

We have a great new range of Men's and woman's apparel. New range of Foot Joy shirts in exciting new colours and woman's new Corsican range of pull overs. So come in store and view the new range.

CLUB FITTING DAYS

We have more club fitting days coming up for Ping, Titleist and Callaway. So if you are interested we will have dates soon for these club fitting days. Stay tuned for these up coming dates. If you can't wait for any of these dates please contact either Blake or Hamish to arrange your own personal club fitting.

Pro Tip ✓

PRE SHOT ROUTINE

Ever wondered why tour pros do a practice swing behind the ball rather than beside? A practice swing should have a purpose! I try and do all my swing thoughts and feelings while I do a practice swing, then when I stand behind the ball all I am thinking about is where I want the ball to go.

When standing behind the ball, try to pick something out in the distance that is higher and further away. This helps you to hit the ball higher and further.

Next time you play, try these simple changes and if you want help with your routine give Emma, Blake, Hamish or Luke a call to book a lesson.

Happy Golfing from your Golf HQ team.
Blake, Hamish, Fritz, Tracey, Emma, Luke and Reinhardt

LYDIA KO SIGNS OFF FINAL ROUND IN STYLE

Article: GOLF.CO.NZ
Photo: PHOTOSPORT

Lydia Ko signed off her final round of the Evian Championship in style, rolling in an eagle to finish in a share of 6th place on 13-under par.

The world number 10 carded rounds of 68, 65, 68 & 70 to finish 5 shots back of her Australian rival and friend Minjee Lee.

Although it wasn't the final round Ko envisioned, her record at the Evian Championship speaks for itself with a fifth top 10, including a win.

She began the day six shots back of overnight leader Jeongeun Lee and immediately made her intentions clear with an opening birdie. Unfortunately, her opening hole wouldn't set the theme for her final round.

Ko made another 2 birdies and 2 bogey's to close out her opening 9 at 1-under par, which slowed down her run at a 3rd major, and 2nd Evian Championship.

The 24-year-old made six straight pars in her closing nine before making back-to-back birdies at the 16th and 17th holes. She then hit 2 fine shots to find the par 5 finishing hole in two and would roll in the 20-foot eagle putt to sign for one-under.

She now moves back into second place in the season-long points race, the Race to CME Globe.

Ko will next tee up in Tokyo for The Olympic Games.

SHE LOVES GOLF

She Loves Golf is about creating enjoyable and social experiences for women of all ages to inspire a love for golf

It's an ageless activity, with so many ways to play

You can be active and hang out with your friends at the same time, you can meet new people, and you can play as many holes as you like and you don't even have to keep score!

On Sunday we had another epic She Loves Golf Winter event! I love seeing all the girls improving every time I see them

- Emma Fairnie
